

## Parents & Carers Code of Conduct

### Purpose:

The term “parent” below refers to parents or guardians of gymnasts. North Oxford Gymnastics is committed to providing a safe, positive, and supportive environment for all gymnasts. Parents and carers play a vital role in supporting their child and the club.

By participating in the club, parents and carers **agree to follow all club policies, including this Parents Code of Conduct, safeguarding procedures, and terms and conditions.** Failure to comply may result in restricted access to club activities or other disciplinary action.

### Encouraging Positive Participation

- Encourage your child to follow the **Gymnasts Code of Conduct** and **British Gymnastics rules and regulations.**
  - Help your child enjoy their sport and recognise good performance, not just results.
  - Never force your child to participate in training, competitions, or club activities.
  - Demonstrate high standards of sportsmanship and support the performance of all gymnasts.
  - Use appropriate language and never belittle or punish a child for mistakes or poor performance.
- 

### Attendance & Preparation

- Ensure your child arrives on time for all sessions and competitions, and notify the club if they will be absent.
  - Ensure your child is appropriately dressed, has removed jewellery, and brings water or any required equipment to training and competitions.
  - Inform coaches of any **medical conditions, illness, injuries, or medications** that may affect your child’s participation.
  - Parents are responsible for the travel arrangements and costs of attending all training sessions, competitions, and club events.
  - Drop off and collect your child at the club entrance, ensuring coaches are present.
-

## Competitive Members

- For competitive squad members, it is the **parent's responsibility** to keep up to date with all **competition dates, deadlines, and event details**.
  - Information about competitions, squad events, and deadlines can be accessed at any time through the **Squad Portal**.
  - Parents must ensure their child is available and prepared for competitions as required, and communicate promptly with coaches if there are unavoidable conflicts.
- 

## Competition & Club Behaviour

- Respect coaches' decisions regarding squads, competition entries, partnerships, and performance selections. Concerns should be raised respectfully and through the appropriate channels.
  - Parents must not challenge or argue with officials, judges, or club staff during competitions. Any concerns should be reported to coaches, the Welfare Officer, or the Company Director.
  - Photography and video equipment are not permitted during training sessions. Parents may video their own child at competitions only if permitted by the rules, **without using flash photography**.
  - Parents attending competitions must not enter competition areas.
